

PICARD DENTAL ASSOCIATES

General Dentistry

Joel Picard, D.D.S.

DR. JOEL PICARD, D.D.S. is a graduate of Georgetown University's School of Dentistry. He is a third generation dentist in his family practice, which was founded in 1941.

While Dr. Picard provides all types of dentistry, his expertise is in delivering advanced cosmetic and implant dentistry. Dr. Picard is an active member of the Seattle Study Club, an international dental organization focusing on innovative restorative treatment. He is also a member of the RI and American Dental Associations, the Academy of General Dentistry and the American Academy of Cosmetic Dentistry.

Recently, Dr. Picard received the RI Dental Association's Humanitarian Award for his volunteer work over the past twenty-eight years.

He resides in Cumberland with his wife Sarah and his family and enjoys tennis, fishing and traveling.
